- Maintenance-free galvanized steel construction
- Stocked items ship within 2-3 business days
- Custom items ship within 7-14 business day
- Custom powder coated colors available
- 100% made in America

Door Gates

Door Gates are perfect for securing high-traffic entryways up to 4' wide without sacrificing visibility or air circulation. Gates can be mounted on the left or right and pivot on hinges, opening like a door. When not in use, gates collapse and pivot out of the way, creating unobstructed access. Gates can be installed in less than 30 minutes!
