

KROMA HD Barrier

ECONOMICAL HEAVY DUTY CROWD CONTROL

These barricades are built for long-term weather resistance. Manufactured from heavy 16 gauge steel, they provide superior weather protection.

The KROMA HD barricades interlock using the broad hook standard. This is compatible with many existing inventories.

Base Options

Flat Feet

A lower profile than the bridge base.

Bridge Feet

Offers maximum stability on uneven surfaces, such as grass.

Heavy Duty Feet

A stronger, safer version of the flat feet.
