

KROMA LD Barrier

LIGHT DUTY CROWD CONTROL

Base Options

Flat Feet

Bridge Feet

Heavy Duty
Feet

These barricades are manufactured from 18 gauge steel providing a light weight, easy to handle full sized barricade. Supplied with Pre-Galvanizing for outdoor use and indoor storage. KROMA LD features 21 uprights which are fully inserted into the frame before welding providing extraordinary strength. The barricades interlock using the industry standard hook and loop system so you can create a crowd barrier of any length.

The KROMA light duty barricade is a streamlined alternative for lower-impact crowd control needs.
